

## LEISURE TRAILERS

## Brenderup - Behind you all the way

- Why buy Brenderup

**1** 13" car type wheels

**2** Strong gatelocks and catches

Take hold with both hands and test their strength and quality.

**3** The most comprehensive range of accessories in the market

Brenderup offers the most comprehensive range of accessories in the market, which makes the trailer perfect for all purposes. Have a look at one of Brenderup's many solutions for extension sides, flat or height cover solutions or lids which protect the load from theft and from the elements.

For more information see page 45 or visit [www.brenderup.co.uk](http://www.brenderup.co.uk)

**4** Easy lashing of covers

The cover buttons are mounted on the trailer.

**5** Brenderup's choice of material ensures long life expectancy

Brenderup uses galvanized components, which offers maximum protection from the elements.

**6** Best driving abilities

The V-shaped drawbar, independent wheel suspension and steel rims with quality tyres ensure maximum road stability. You will never notice that you have a Brenderup behind.

**7** Easy storage

The trailer can be stored in vertical position.

**8** Reliable lashing of the load

Internal lashing eyes enable easy securing of the load.

**9** Strong design

Continuous longitudinal members provide a strong construction.

Part no. 33039
