

SmarTrack Fleet

Smartrack Fleet offers the latest in Fleet Management, giving you chance to monitor your vehicles. This product allows you to track your own vehicle with all the added features below.

The website benefits from

Multi Geo-Fence - Smartrack Fleet offers the multi-geo fence option, you are able to put a circular area around a location which generates an email or a report which will be sent whenever the vehicle leaves or enters that designated area. These geo-fences can be named/labeled to allow identification.

Reports - The site offers detailed reports gives you further information. overspeed warnings, geofence activity and unlimited Journey reports.

Multiple Logins - Multiple logins allows selectable access to vehicles using different email addresses.

Street Mapping - Street view level mapping via googlemaps.

Speed Warnings - Set your own if the vehicle travels over that speed then you will receive an email telling you so.

Icons - Change your icon to something that looks a lot closer like your vehicle
