

# THULE® SWEDEN

## ProRide 591018

# Thule ProRide 591

– the most elegant and convenient way to carry your bike

- Light and elegant aluminium design.
- The frame holder and the wheeltray are designed to automatically position the bike correctly in place.
- With quick-release wheel straps for quick and convenient loading and unloading of bikes, adjustable for different wheel sizes up to 2,5 inches, the wheels are securely fastened.
- This carrier is pre-assembled, no tools are required.
- Locks are included in the product.
- One Key System compatible. With this accessory you can replace the locking cylinders to use one and the same key for all your Thule products.
- Can easily be fitted on either side of the car roof by moving the frame holder to the left or right side.

Easy quick mounting system

Lockable bike to bike carrier
